## Invitation

### World Ranking Events

**Sprint + KO Sprint, 23-24 October 2021**

In preparation for WOC 2022, the WOC organising team, OK Syd and OK Gorm warmly welcome all elite orienteers for two intense WRE sprint races. The competition formats are Sprint and Knock-Out Sprint and as the races will be held in relevant WOC 2022 terrains, they will offer a good opportunity to train for WOC 2022. The courses will be planned by the WOC course setting team and the maps are drawn by the WOC mapper.

**Preliminary programme**

**Saturday 23 October**  
WRE Sprint, Aabenraa  
10.00: Qualification  
14.00: Finals

**Sunday 24 October**

The venue for the Sprint race is Aabenraa, located in the Southern part of Denmark. Only few local events have previously been organised in Aabenraa.

## Sprint, 23 October

Type of competition, format: Sprint, with qualification, WRE  
Competition area: Aabenraa  
Venue: [Storetorv, 6200 Aabenraa](#)  
Course length: 14-15 min winning time

It is characterised by an asymmetrical structure of narrow streets with small town houses, shops and café and dining areas. Many streets are paved with cobblestones. Outside the old part of the town, the area is partly dominated by public buildings and schools, apartment buildings, office blocks and parking lots. Some smaller park areas also exist in the competition area.

First start: Qualification at 10.00, Finals app. at 14.00.  
Prize giving ceremony: Immediately after the race.

## Knock-Out Sprint, 24 October
